¹ There is a typographical error in the Federal Register: “part § 273 of this chapter” should be “part 273 of this chapter” (there should not be a section (§) symbol).

² There is a typographical error in the Federal Register for the revised definition of “universal waste”: “hazardous waste that are” should be “hazardous wastes that are”.

RCRA REVISION CHECKLIST 181: Universal Waste Rule:**Specific Provisions for Hazardous Waste Lamps (cont'd)**

³There appears to be an error in the Federal Register in the first two subparagraphs for the revised definition of “universal waste”. It appears that the ending colons were inadvertently removed. Thus, subparagraph (1) should end “in § 273.2₁” and subparagraph (2) should end “in § 273.3₁”.
